Is this a no cost extension year? Yes No

Was this reporting period the final period of performance (no performance occurred after September 30) for this grant?*

Yes No

Grant Type (dropdown or buttons): Institutional, Cooperative, Training, Research, Emergency

All responses to questions are limited to 250 words or less unless otherwise stated.

*If the answer is yes, Section 6 will be made available for institutions submitting their Final Performance Report.

Section 1—Executive Summary

Q1. The goals of Titles III, V, and VII grants are to strengthen an institution's capacity to serve low-income and minority students. Use the following questions to summarize how your grant is enabling your institution to fulfill the legislative intent of the Titles III, V, or VII program during the most recently completed grant performance period.

Q1a. Summarize the impact your institution's Titles III, V, or VII grant has had on enrollment this year.

Q1b. Summarize the impact your institution's Titles III, V, or VII grant has had on graduation rates this year.

Q1c. Summarize the impact your institution's Titles III, V, or VII grant has had on student persistence/retention this year.

Q1d. Summarize the impact your institution's Titles III, V, or VII grant has had on fiscal stability this year.

Q2. Based on the goals set forth in your comprehensive development plan and/or grant application, summarize the major milestones reached during this grant performance period.

Q3. Identify any highlights that occurred during this performance period. Identify areas where technical assistance is needed to meet goals and objectives.

Q4. Has your institution's project(s) contributed to evidence-based (a) research, (b) knowledge, (c) practice, and/or (d) policy over the past year? If so, how? Use quantifiable measures where possible. These contributions can include those disseminated in a variety of formats, including presentations, publications, program development, and recommendations for policy changes due to the project.

Q5. If your institution has experienced any unexpected outcomes because of this project, which affect, for better or worse, its capacity to fulfill the goals of the legislation, identify them here. Additionally, describe any challenges that you have had during the reporting period. Include, if applicable, your institution's plans to address these challenges.

Q6. Under the competition for which your grant application was funded, did you respond to any Education Department evidence standards?

Yes No

Q6a. Which Education Department evidence standard was required?

Tier 4: Demonstrates a Rationale (Logic Model)

Tier 3: Promising Evidence

Tier 2: Moderate Evidence

Tier 1: Strong Evidence

Q6b. Please cite the study/studies you included in your application to address the evidence standard. What specifically was the evidence-based intervention you proposed to implement in your funded application?

Q6c. Are you implementing the evidence-based intervention as planned?

Yes No

Q6d. If no, what challenges have occurred that affected your ability to implement the evidence-based intervention as specified in your proposed plan? What has your institution done to address those challenges?

Q6e. Describe any findings and/or information relevant to the intervention for this reporting period.

Q6f. If Demonstrates a Rationale, please attach a copy of your original Logic Model.

Q7. Have you conducted any formative evaluation related to your grant?
Yes No

Q7a. If yes, summarize the results of the formative evaluation.

Q7b. Have the results of the formative evaluation yielded any improvements in your project(s) and/or campus?

Q8. Was a project evaluation, assessment, or any other research related to the project conducted?
 Yes No

Q8a. If yes, which of the following conducted the evaluation/assessment/research? Check all that apply.

- A project evaluator hired specifically to evaluate or assess the project
- An office in your organization that routinely conducts evaluations or assessment
- A combination of external project evaluator and internal project evaluator
- Other researcher funded by the grant
- Other researcher not funded by the grant

Q8b. If yes, please summarize your results.

Q9. Please attach any evaluation results including formative evaluations, summative evaluations, journal articles, presentations, and publications relating to your grant projects. These documents may provide greater detail of your results, or items that you would like to highlight.

Section 2—Institutional Profile

Institutional Measures (GPRA indicators):

Complete the following table based on this grant year’s data. “Total Fall Enrollment” and “Fall-to Fall Retention %” will be from your institution’s most recently available data. Prior year data are pre-filled but may be corrected.

Grant Year Collection Year	Pre-Grant 20XX	Year 1 20XX	Year 2 20XX	Year 3 20XX	Year 4 20XX	Year 5 20XX	Year 6 20XX
Total Fall Enrollment							
Fall-to-Fall Retention %							
100% Time to Graduation Rate							
150% Time to Graduation Rate							

This section uses definitions based on the Integrated Postsecondary Education Data System definitions. IPEDS Definitions may be found at <https://surveys.nces.ed.gov/ipeds/public/glossary>.

Fall Enrollment: This is an annual component of IPEDS that collects data on the number of students enrolled in the fall at postsecondary institutions. Students reported are those enrolled in courses creditable toward a degree or other recognized postsecondary credential; students enrolled in courses that are part of a vocational or occupational program, including those enrolled in off-campus or extension centers; and high school students taking regular college courses for credit.

Graduation Rate: This rate is calculated as the total number of completers within 100% and 150% of normal time divided by the revised adjusted cohort.

Retention Rate: A measure of the rate at which students persist in their educational program at an institution, expressed as a percentage. For four-year institutions, this is the percentage of first-time bachelors (or equivalent) degree-seeking undergraduates from the previous fall who are again enrolled in the current fall. For all other institutions this is the percentage of first-time degree/certificate-seeking students from the previous fall who either re-enrolled or successfully completed their program by the current fall.

Institutional Leadership:

Q1. Have there been changes in institutional leadership (presidents, vice-presidents, provosts, etc.)?
Yes No

Q1a. If yes, how has this affected the grant?

Q2. Have there been changes in grant leadership (project director, activity director, etc.)?
Yes No

Q2a. If yes, how has this affected the grant?

Accreditation:

Which is your institution's primary accrediting agency? [Please check only one.]

Accrediting agencies

- Middle States Commission on Higher Education
- New England Association of Schools and Colleges, Commission on Institutions of Higher Education
- The Higher Learning Commission of the North Central Association of Colleges and Schools
- Northwest Commission on Colleges and Universities
- Southern Association of Colleges and Schools, Commission on Colleges
- Western Association of Schools and Colleges Accrediting Commission for Community and Junior Colleges
- Western Association of Schools and Colleges Senior College and University Commission

Other (please specify)

Accreditation Changes:

Q1. Has the accreditation of your institution changed since you began the project (e.g., status changes or the addition of new programs)?

Yes No

Q1a. If yes, please explain.

Audit:

Q1. Institutions that expend \$750,000 in federal funds in one fiscal year must complete an audit for that year that complies with OMB Circular A-133. Were you required to complete an audit that complies with OMB Circular A-133?

Yes No

Q2. If yes, has an audit that complies with OMB Circular A-133 been completed for this reporting period?

Yes No

Q2a. If yes, were there any findings in the audit?

Yes No

Q2a1. If yes, what were the findings? Explain how these findings are being addressed. Please attach the report with the findings.

Q2b. If no, why hasn't an audit that complies with OMB Circular A-133 been completed? When do you plan to complete the audit?

Endowment:

Q1. Are grant funds from this award being used for an endowment activity?

Yes No

Q2. Do you have an endowment activity on a previous award that has not matured?

Yes No

Q2a. If yes to the above question, please list the associated award numbers.

If yes to any of the above questions, you will be required to complete the FY 20XX Endowment Financial Report (OMB 1840-0564) by the deadline. The report is available on the EFRS tab in this system.

Budget Status Report

The budget and expenditure table (below) accepts dollar amounts for the following line-item categories: Personnel, Student Personnel, Fringe Benefits, Travel, Equipment, Supplies, Contractual, Construction, Other, Endowment (if allowed), Scholarships (if allowed), and Student Stipends (if allowed).

The budget and expenditure table allows reporting by the above categories for the following seven columns:

- Carryover Balance from Previous Year
- Approved Budget
- Total Budget
- Expenditures
- Non-Federal Expenditures
- Carryover Balance (Will show the percentage and the actual number)
- Next Year's Actual Budget
- Changes (Y/N)

Changes by Line Item

Grantees checking the “Changes” box in the Budget and Expenditure Table can provide a narrative discussing relevant details on the corresponding line item. All major budgetary changes must receive approval from the Department.

Budget Summary Narrative

Please explain budget changes, as needed, particularly the use of funds from cost savings, carryover funds, and other expanded authority changes to your budget. Provide an explanation if you are NOT expending funds at the expected rate. Describe any significant changes to your budget resulting from modifications of project activities.
